

HLC – Hybrid Learning Communities – Course 2

Video-production (Speaking)

1. Class-introduction - After the clues and introducing to the topic. Divide in groups.
2. Preparation in the group:
 - Discuss the clues
 - Write down ideas on the topic
 - Choose one or more ideas and make a project-start
 - o **What** is the story in the video?
 - o **Who** is part of the story?
 - o **Where** take the story place? Choose a location
 - Prepare a presentation on the idea (a dialogue, a script)
3. Class-discussion
 - Read/ hear the presentation, and write down questions for the other groups.
 - Give feedback for the other groups.
4. Back in the group:
 - Use the feedback and make your idea to a final script/ storyboard
 - Get the script approved by your teacher
5. Create a video:
 - Choose your roles in the making of the video. Who shall be:
 - o Director
 - o Camera-man/ -woman
 - o Sound-man/ -woman
 - o Actors
 - Choose the location and remember to have a permission.
 - And now shoot the video.
6. Edit the video
 - Talk while you look it through.
 - Are your video done?
7. Share the videos with the other groups.

Questions for the groups for peer-assessment:

 - o What is the story about?
 - o How is the story presented?
 - o How do they use the sounds?
 - o How was the movie filmed and edited?
 - o How make it you feel?
